Novel Plant Food Development Told

Providing its nitrogen in several forms that release at different times is the method used by a California plant food manufacturer to provide sustained action.

Likened unto a string of firecrackers which go off one after another, the plant food automatically releases its nitrogen in relays. Instead of a splurge of growth when the plant food is first applied, the effect continues over a longer period.

These relays are set up in the plant food by having the nitrogen in three different forms so that first one form and then another is released to the plants as they can assimilate it. Thus the stimulating effect of the plant food lasts longer in the soil with resulting economy and steady growth.

In addition to its three forms of nitrogen, this plant food also contains the correct proportions of phosphorous and potash, the other two essential ingredients for the complete plant food especially adaptable to Northern California conditions. The product, known as Super-Grozit, comes in convenient packages in various sizes at local garden supply dealers.

The University of Texas department of architecture has been unable to fill demands for architects and no graduates in recent years are unemployed.

UNIQUE THEATRE AT THE GOLDEN GATE INTERNATIONAL EXPOSITION FEATURES UNUSUAL COLOR MOTION PICTURE STORY OF COFFEE

Hills Bros. Exposition Theatre in the Palace of Foods and Beverages at the Golden Gate International Exposition on Treasure Island, San Francisco. In the illuminated arches down the side of the theatre, six murals depict important events in the history of coffee.

"Going through a factory" appeals to most American men, women, and children. Thousands of manufacturers whose products range from thread to automobiles are hosts to millions of interested people each year.

Many exhibitors at the Golden Gate International Exposition at San Francisco, are capitalizing on this national tendency and are giving their guests a picture as accurate and realistic as possible of how their products are made.

In this connection, the throngs who roam daily through the Palace of Foods and Beverages are intrigued by an unusual structure—a theatre of unique architecture whose characteristic colorful decorations include a group of six murals by James A. Holden illustrating the history of coffee. In this theatre an unusual motion picture, produced in Cinecolor, is being shown continuously. It depicts the many steps that are taken to make America's favorite beverage—*coffee*—available for the cup.

By means of dramatic color photography and the aid of a narrator who sustains interest in a most entertaining manner, the audience is transported by plane from San Francisco to Central America where coffee is grown. Street scenes, fiestas appear in vivid succession with appropriate musical background. Then the film carries those viewing it to the nurseries where the coffee seeds are planted—where jungles are cleared for the young trees. The harvesting of the bright red coffee "cherries" is shown, followed by numerous activities which eventually lead to the shipping of the green coffee to San Francisco.

Then in San Francisco, one of the three largest coffee receiving ports in the United States, the spectators see the green coffee tested, blended, roasted, ground, and packed in vacuum cans. They are shown how to get the best results in flavor and aroma in the coffee cup with the various popular types of coffee-making utensils.

To Hills Bros. Coffee, Inc., goes the credit for the production of this new, instructive, and entertaining motion picture, aptly named "Behind the Cup." This pictorial visit to Coffee-land in Hills Bros. Exposition Theatre gives a complete understanding of the most advanced developments in the coffee industry as carried on in coffee-producing countries and brought to finished perfection in the plant of Hills Bros. Coffee, Inc. The film portrays actual plant operations with regular employees of the company busy at their everyday work.

Hills Bros. Coffee, Inc. extends a cordial invitation to every visitor at the Golden Gate International Exposition to view "Behind the Cup." Admittance is free and a souvenir folder containing an illustrated review of the motion picture, reproductions of the historic coffee murals, also rules and suggestions for making coffee is given every guest. Hills Bros. Exposition Theatre is air-conditioned and has a seating capacity of 160.

Duane Purvis, former Purdue all-American halfback, has been appointed director of athletics at Michigan City High School, Ind.

Two Bandits Rob S. S. F. Grocery Of Nearly $200

San Mateo County's second holdup in two days occurred at South San Francisco Saturday night when two young men, brandishing a revolver, took nearly $200 from a grocer.

Authorities, expressing the belief that a gang of holdup men was active on the Peninsula, doubled the lookout for the bandits.

Friday noon a daring bandit robbed Bernard Pease, San Mateo pool room employe and bartender, of $1000. Other holdups have been reported at other Peninsula points.

At South San Francisco, the two unmasked bandits entered Amelio Cortesi's Boulevard Grocery on Bayshore Hwy. about 10:30 p.m. Saturday.

Cortesi's son, Leo, 23, was in the store at the time. Asked for some cigarets, Leo turned his back to the pair. When he looked around, one of the men pointed a gun while the other scooped up from $150 to $200 from the cash register.

After cautioning Leo not to follow, the bandits fled. Police said they were given only a meager description of the holdup duo.

Richards' Sentence Is Delayed for Week

Sentencing of Clifford Richards, former Redwood City druggist who pleaded guilty to burglarizing the Economy Drug Store, was delayed for a week Monday by superior court.

Paul Brooks, 24, Oakland, accused of stealing jewelry and cash valued at more than $1500 from a Burlingame apartment early last month, pleaded guilty to second degree burglary in Judge Maxwell McNutt's court. Brooks asked probation and the case was continued two weeks.

Howard W. McLean, Daly City plasterer charged with driving while drunk with a prior offense, pleaded guilty and was admitted to probation for two years on condition he pay a fine of $100.

GOLF CLUB BURGLARIZED

El Camino Golf Club caddy house was burglarized of $93.60 worth of golf balls and $8 in cash Saturday night, according to a report made today by Dep. Sheriff L. A. Cavalier. The burglary was reported by Robert Chipps, professional at the course. The owner of the stolen property is Willie Goggin, nationally-known professional.

SPRING IN YOSEMITE

Spring in Yosemite is the season of wildflowers and waterfalls. Lupines, poppies, baby blue eyes, fiddlenecks, buttercups, and a hundred other varieties of mountain wildflowers fill the meadows with their color and fragrance. Redbuds and flowering dogwoods make the highways and byways a delight to behold. In the spring Yosemite's great waterfalls thunder over dizzying heights with a roar that is almost deafening, their waters swollen by the melting snowpack in the high country to truly awesome proportions. Fortunate are visitors to Yosemite at this season of the year for they see the park in one of its most dramatic and colorful moods.

Committees Named By Health Board

Holding its second meeting under chairmanship of Dr. A. E. O'Neill, Redwood City dentist, the reorganized San Mateo County Board of Health and Welfare Tuesday night was divided into four main committees.

Miss Pansy Jewett Abbott and Dr. Will Rebec were placed by Dr. O'Neill on the health division committee; Dr. O'Neill and Dr. N. D. Morrison on the social service committee; Drs. Rebec and O'Neill on the staff and medical procedure division of the hospital committee and Dr. Morrison and A. H. Randall on the operation and maintenance division of the hospital committee; Randall and Miss Abbott on the relief home committee. The board as a whole will study the health department's budget.

Unlawful Picking Of Flowers Charged

Three Colma gardeners were free on $50 bail each today after being apprehended Tuesday afternoon with seven bundles of Solomon's Seal, valuable herb popular as an Easter decoration, in their possession on the property of Charles Rayner in Sky L'Onda, Skyline Blvd.

The gardeners are Angelo Luchesi, 20; George Bublies, 25, and Joseph Matteuci, 17. Bail for their release was supplied by Henry Werle, proprietor of the nursery for which they work.

Charges against the trio consist of picking flowers on private property without the owner's consent, according to the county fire warden's office. The arrest was made by Peter Pellegrini Jr., a member of the warden's department stationed at the La Honda Summit station. He was notified by a passerby that a truck was parked off the side of the road on the Rayner lands. Investigation led Pellegrini to the men.

Trial before Judge Edward I. McAuliffe has been set for Monday, Apr. 10, at 2 p. m.

USPHS Survey Starts; Schools To Be Included

Dr. Francis A. Carmelia, supervising surgeon in charge of the 11 western states for the United States Public Health Service, arrived here on Tuesday morning with three members of his special staff to start the survey of the San Mateo County Department of Public Health.

The survey, he announced, will include the schools. While school nurses are not part of the county department, he explained, the nursing service and physical sanitation of the schools are properly parts of the survey.

Dr. Carmelia met with County Executive Frederick Peterson, members of the board of supervisors, and members of the county board of health prior to taking over the USPHS offices in the service division building back of the courthouse.

Death in Accident Is Basis of Action

Aftermath of a fatal accident at Pacific City on Bayshore Hwy. Dec. 4 was a suit filed in superior court here in which three plaintiffs sought $10,765 from Mrs. Josephine Lendrum of Mountain View.

Mrs. Lendrum was owner of an automobile driven by Jacob Weinberg, also of Mountain View, which collided with a machine operated by Roger Pauhle of San Francisco. Weinberg died of his injuries Dec. 19.

Pauhle asks $2500, the same amount claimed by his wife, Valeria. Her mother, Mrs. Rose Giannini of San Francisco, sued for $5365, and Pauhle asked an additional $400 for damages to his automobile.

Weight for weight, dried fruits contain more minerals, especially iron, than fresh fruits.

New Addresses Filed At R. C. City Hall

Recent new addresses, many of them removals, filed recently at the city hall include: R. E. Elder, 530 Jackson Ave.; H. H. Palmer, Ferndale Way; Clyde Milam, 458 Lincoln Ave.; A. O. Evans, 2033 Jefferson Ave.; Mr. and Mrs. Howard Place, 152 Hudson St.; Dr. F. E. Burns, 188 Canyon Rd.; M. H. Cantell, 652 Fulton St.; George Bailey, 912 Stambaugh St.; O. J. Gotham, 540 Jackson Ave.; Mrs. A. Noste, 72 Woodrow St.; L. Sexton, Oak Knoll Dr.; Arthur McConnell, 1610 Main St.; W. E. Marsh, 1188 King St.; Mrs. J. F. Zalkashe, 322 Spruce St.; D. C. Capson, 217 Vera Ave., and Peter Dunnigan, Cordilleras Rd.

A Jersey cow stolen at Hale Center, Tex., returned two days later dragging a brand new rope to its owner.

In the perpetual campaign to stamp out man-caused fires that burn over 40,000,000 acres annually, the United States Forest Service in cooperation with the state forestry agencies and organizations interested in conservation, will distribute in poster form nearly a million reproductions of the above painting by the famed illustrator, James Montgomery Flagg. The painting is the property of the American Forestry Association.

MENLO PARK NEWS NOTES

MISS FARRAHER PASSES

MENLO PARK, Apr. 7 — Miss Annie Elizabeth Farraher, who passed away last Monday after a brief illness, was a pioneer resident of California. Her parents, Mr. and Mrs. James Farraher, came across the plains in a covered wagon in the fifties, locating in Gazelle, Shasta Valley, Siskiyou County, where the deceased was born on Dec. 23, 1861, in a log cabin, then considered a mansion. Miss Farraher attended the grammer school at Gazelle, graduating from the Sisters of Mercy Convent at Eureka at an early age.

Miss Farraher spent nearly all her life on her father's ranch consisting of 2000 acres. In the early days of that section mass was celebrated the first of every month at the old home. Here would be gathered all the settlers of the surrounding country to attend service, after which dinner would be enjoyed and games indulged in until late in the afternoon when the ranchers would depart to their far off homes in the valley.

The deceased came to San Francisco to reside with her nephew, James Farraher, a well-known attorney connected with the firm of Sullivan, Sullivan and Roche. Later she made her home here with her niece, Mrs. Casin.

After a requiem mass in the Church of the Nativity Tuesday the remains were shipped to Gazelle to be buried in the old cemetery, there to rest along side her loved ones who had gone before. Her brother, the late James Farraher, was a classmate of D. E. O'Keefe and J. T. O'Keefe at St. Mary's College years ago.

Now that Lent is over, look out for marriage announcements. Two are scheduled for this month in Menlo Park.

Mrs. Katherine Schroeder, a former resident of Menlo Park, passed away at San Mateo last Monday. She was born in Menlo Park 69 years ago, but for over 40 years had resided in San Mateo. She is survived by two children and her father, who is 94 and has been a resident of Menlo Park for over 70 years.

The feast of Easter will be celebrated with extra services in all the churches in Menlo Park Sunday. Masses in the Church of the Nativity will be at 7, 8:30 and 11 o'clock, the last a high mass. Trinity Episcopal Church will have a program of choir singing at the 11 o'clock service. At the Presbyterian Church an augmented choir will render a choice vocal and musical program.

Mrs. James Doherty has been appointed a member of the reportorial staff of a local paper. She is a graduate of the University of California where she made a name as a dramatist. Mrs. Doherty carried away the show, "Galavantin' Ghosts," recently played in Palo Alto. She is a writer of considerable merit.

There was a large vote cast at the election on Monday for a trustee on the fire commission. Edward McNear, Atherton, received 268 votes; James Howell, 105, and J. White 10. All three members of the board reside in Atherton. It's about time a Menlo Park citizen was placed on the commission.

The rainfall for the recent storm was .44 inches, making a total of 10.30 inches for the season as against 23.67 inches at this time last year.

Funds Are Urged For Air Laboratory

Appropriation of funds for establishment of a $10,000,000 aeronautical research center at Moffett Field, Sunnyvale, is urged in a resolution adopted Tuesday by the board of control of the Redwood City Exchange Club. Similar action, it was reported, has been taken by the Alameda Exchange Club and is being asked of other Exchange Clubs. One objective of Exchange is to aid aviation.

The resolution will be forwarded to senators and congressmen concerned.

The laboratory, urged by President Roosevelt, was rejected by the House Appropriations Committee on Mar. 22, but Sen. Hiram Johnson has proposed to the Senate Appropriations Committee that it restore the amount to the second deficiency bill.

The Exchangites also voted to join the Kiwanis and Lions Clubs in sponsorship of the Redwood City Bel Canto Chorus.

Speaker at the session was Don Liebendorfer, news service director for Stanford University, whose forecasts of outcomes of athletic contests will be found on the sports page.

An acre of corn producing 50 bushels takes 75 pounds of nitrogen from the soil but an acre of clover or alfalfa puts approximately 100 pounds of nitrogen back into the soil.

There were 2374 airports and landing fields in the United States on January 1, 1939.

Other Officers Are Selected

New commander of Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars, is C. E. Rudisill, it was announced here following election of new officers at the organization's meeting.

Carl E. Spieker was named senior vice commander; William Hanley, junior vice commander; Clayton H. Heald, post advocate; Robert C. Frazier, chaplain; Dr. Harper Peddicord, post surgeon; Cecil W. Wells, quarter master; Robert Hill, adjutant.

Delegates to the county VFW council are Joe S. Farr, Robert Hill and Elmer Brown. Alternates: William Hanley, Lambert Johnson, Walter Hermann.

Joint installation of post and auxiliary officers will be held at the Veterans Building Apr. 29. Installing officer will be Mr. Farr.

The public is invited.

The local post expects to reach its membership quota of 200, set by the state department, by May 1. Present membership is 174.

Poultry producers will buy about 8 per cent more hatchery chicks in 1939 than in 1938, says an estimate by the federal bureau of agricultural economics.

Paderewski Concert Set in S. F. Sunday

SAN FRANCISCO, Apr. 4—One of the few cities which Ignace Jan Paderewski is visiting on his 20th American tour, San Francisco will have an opportunity to hear the world-famed pianist and statesman next Sunday afternoon when he gives a recital in Civic Auditorium under Peter Conley presentation. This is Paderewski's first visit to America in six years.

Burlingame Adopts WPA Recreation Plan

BURLINGAME, Apr. 5—Months of agitation for a city recreation program in Burlingame ended this week as the city council voted to file formal application for a WPA project to furnish recreation here for the next nine months. A similar setup is used at Redwood City.

Mayor Allen J. Ward announced that an advisory committee would be appointed to sponsor and direct the project.

Under the plan, the city will pay $1700 for a $10,000 project.

Training Plane Lands Safely in San Mateo

SAN MATEO, Apr. 5—A two-seater training plane piloted by Jack S. Conley, Mills Field instructor, was forced down in southern San Mateo this morning when the motor apparently caught fire and engine trouble developed.

Conley landed his Great Lakes ship in a field on 16th Ave. He was not injured and the plane was not damaged seriously. A student flying with him also escaped injury.

Investigation of WPA In County Promised

Fiery Sidney Stribling, chairman of "The Unemployed Taxpayers Assn.," and listed by relief leaders as a "trouble maker," today reported he had received word from Col. F. C. Harrington, national administrator of the Works Progress Administration, promising an investigation of the WPA in this county.

Menlo Park Native Passes at Age 69

SAN MATEO, Apr. 3—San Mateo County lost one of its oldest native daughters today when death came quietly to Mrs. Katherine Schroter of this city, who was born in Menlo Park 69 years ago. She had lived in San Mateo for the past 39 years, the last five of which she was an invalid.

Survivors include a daughter, Florence Schroter, who lives at the same address; a son, Earl of Stockton; her father, John Bracesco, 92, of Menlo Park; two sisters, Mrs. Mary Cooley and Miss Agnes Bracesco, both of Menlo Park, and a brother, Frank, also of Menlo Park.

Funeral services will be at 8:30 a.m. Wednesday at the George W. Sneider & Co. mortuary in San Mateo, with requiem mass following at 9 a.m. and burial taking place in Holy Cross Cemetery in Menlo Park. The rosary will be recited at 8 p.m. tomorrow at the Sneider chapel.

Coastside Chamarita Set for May 27-29

HALF MOON BAY, Apr. 4—The annual Chamarita, greatest of all shows on the San Mateo County Coastside, will be held this year on May 27-29, with the annual free barbecue and dance on June 3.

Based on a celebration of the Holy Ghost and related religious events, the festival and pageant will have as its queen Miss Betty Cunha, Coastside beauty, accompanied by her court of honor.

The affair is under auspices of the IDES Society of Half Moon Bay, of which A. P. Dutra is president.

Speakers Offered On Fingerprinting

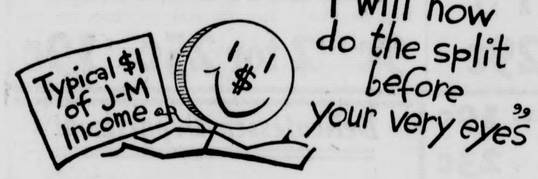
Redwood City's Civilian Fingerprinting Committee is ready to furnish speakers to any organization desirous learning advantages and benefits from fringerprinting for citizens, it was announced at Monday's meeting of the organization.

GEORGE WONDERS HOW J-M DOLLARS ARE SPLIT

Dear Johns-Manville Redwood City Plant

I have a hunch that a lot of people would like to know what actually happens to a typical dollar of Johns-Manville income. Some of my friends have some funny ideas about how much the owners of J-M get and how much the jobholders get. How about it in 1938?

—GEORGE CITIZEN



OWNERS, 2c; JOBHOLDERS, 32c; PUT ASIDE, 1c.

Dear George

You're right. I think it creates understanding all around when a company like mine takes everybody behind the scenes and shows how a typical dollar of its income gets cut up into little pieces.

We do this in regular reports to Johns-Manville employees, you know, and our report for 1938 has just been distributed to our jobholders here.

Let's start with any whole dollar of 1938 J-M income and see how it was spent.

1. The dollar wasn't a whole dollar in the first place. Customers who failed to pay or who returned goods brought it down to 97c.

2. Before jobholders could start work we had to supply them with raw materials on which to work. This shrunk the J-M dollar to 68 cents.

3. Then freight on raw materials to us and on goods to customers took 6 cents more—chiseling our dollar down to 62 cents.

4. To keep in step with the wants of our customers and to build greater sales and more employment for the future, we kept up our research work which took 1 cent—leaving 61 cents.

5. Sales promotion to tell the public about our products, and so-called "overhead" items such as telephone bills, electric bills and the like, added up to 18 cents—leaving 43 cents.

6. Wear on machinery and depletion of minerals in our mines ate off another 4 cents, leaving 39 cents.

7. We had to pay out in rent for offices, warehouses and so forth all over the country 1 cent. Now the dollar was at 38 cents.

8. Along came the tax collectors (local, state and federal) and sliced the dollar down to 35 cents.

9. Of this 35 cents, jobholders took 32 cents. Stockholders (or owners of the company) took 2 cents. Put aside was 1 cent for expanding factories, to provide more working capital, or to use in bad times or possible emergencies.

In other words, out of the money we had left for dividing up after expenses were paid, the employees got 92 percent, the stockholders got 5 percent and 3 percent was put aside.

McNear Is Elected To M. P. Fire Board

MENLO PARK, Apr. 4—E. H. McNear, Atherton resident and San Francisco broker, was elected to the board of fire commissioners of the Menlo Park Fire District yesterday in a spirited write-in election.

He defeated J. B. Howell of Atherton, incumbent, 268 to 105, in an election where no names were on the ballot.

J. H. White, earlier rumored to be a candidate, received 10 votes, Fred S. Becker 1.

In the Ravenswood precinct McNear received 168 votes and Howell 32. In the Menlo Park headquarters precinct the new commissioner received 102 votes, Howell 73.

Voters came to the polls in large numbers toward the closing hour to register a total vote of 391, heavier than any election for fire commissioner in recent years.

The election places Mr. McNear on the board for three years. He will serve with H. J. Jepsen, and Charles H. Merrill.

WPA Curtailed; Jobs Taken From 53 on Peninsula

As the Works Progress Administration reduced its Northern California payrolll by 7500 on Monday on instructions from Washington, Robert W. Meade, area WPA manager in San Jose, announced that 650 persons would be laid off in his territory, which includes San Mateo, Santa Clara, Santa Cruz, Monterey, San Benito and San Luis Obispo Counties.

Of these, 53 will be laid off in San Mateo County, all on the Thornton Beach project, which is being closed down, Meade said.

The quota for Northern California for April was fixed by Col. F. C. Harrington, National WPA administrator, at 56,500.

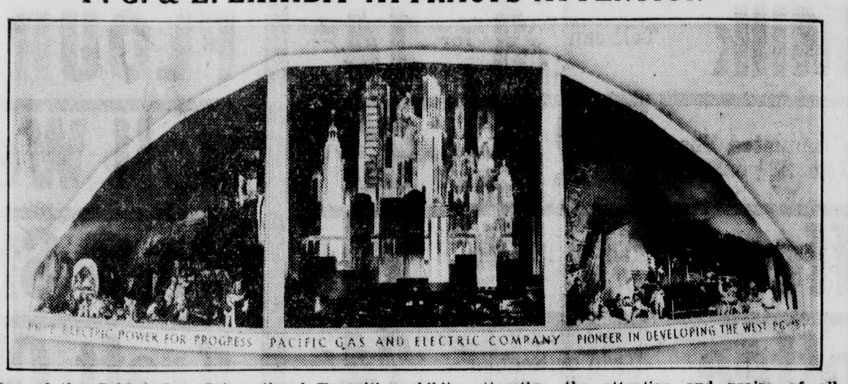
The dismissals were slightly lower than those ordered several weeks ago, to be effective April 3, when President Roosevelt asked Congress to provide 150 million dollars to run WPA through June 30.

The House finished consideration of the President's request Friday and authorized an additional 100 million dollars. The bill was before the Senate today and action was expected to be completed within two days.

It was not announced, however, whether those dismissed today would be reinstated when the Senate passes the appropriation.

If you want to keep it a secret, don't put it in the Want Ads.

P. G. & E. EXHIBIT ATTRACTS ATTENTION



One of the Golden Gate International Exposition ehibits attracting the attention and praise of all visitors is that of the Pacific Gas and Electric Company. Occupying the entire south end of the Electricity and Communications Building, immediately to the left of the Elephant Tower main entrance, the exhibit features a huge diorama spreading across the building's full width. This diorama is divided into three panels. Two of them are of historical interest, one showing a covered wagon encampment in a rugged mountain canyon, the other an early-day San Francisco waterfront scene. The central panel is futuristic, picturing an artist's conception of the city of tomorrow.

A. C. Clifton, foreman of a Texas ranch and authority on horses, says a horse needs only three hours of sleep in 24 hours and will "bed down and sleep any place if tired enough."

Rites Slated For 5:45 A.M.

Final plans and preparations for the annual Easter Sunrise Services next Sunday at 5:45 a.m. in Emerald Lake Bowl, the natural amphitheater located west of Redwood City, were made at a meeting of the committee on general arrangements this week.

To handle the large crowd which the services draw each year and the attendant traffic problems, Redwood City district Boy Scout troops will aid Police Chief C. L. Collins in directing and parking autoists.

General Chairman Charles G. Lambert named Fire Chief Mark E. Ryan to attend to transportation of chairs, hymnals and the piano to and from the bowl. Ushering will be done by members of the YMCA in charge of Secty. Thomas W. Badley. Public address facilities will be provided. The committee will have an ambulance and a tow car in readiness also, in case of emergency.

Lambert said machines will be available to transport those who cannot walk from the foot of the hill to the bowl.

Rev. Sidney H. Buckham, pastor of the San Mateo First Congregational Church, will deliver the sermon; the Redwood City Bel Canto Chorus, under the direction of Eugene Fulton, will sing an Easter anthem; the Redwood City Municipal Band, directed by Dr. R. Lee Otis, will play. Other ministers who will participate are Rev. William J. Owen, pastor of the First Methodist Church here and president of the San Mateo County Ministerial Association, the Rev. Rowland T. Edgeworth of the Redwood City First Baptist Church, and Rev. Eldred J. Clark of the Menlo Park Presbyterian Church.

Rev. Owen, in charge of publicity, said the facilities at the bowl had been considerably improved and predicted the largest crowd ever to attend the impressive early-morning rites in the natural outdoor setting.

SENTENCED FOR THEFTS

Robert Stevenson, 22, houseboy, pleaded guilty before Municipal Judge Arthur H. Stetson of San Mateo on a charge of petty theft and was sentenced to 60 days in the county jail here. Stevenson was charged with stealing jewelry from his employer, Mrs. H. S. Dana of San Mateo.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.
(This offer applies to plate work)
These are our finest Plates. We have none better, no matter how much you pay us. NOW! Same low prices as our inexpensive rubber plates.

DU PONT
REG. U.S. PATENT OFF.
DENTAL PLATE

MATERIAL . . . so like Nature's own gums your closest friend can't tell. Plate material developed by world-famous du Pont Laboratories NOW HERE! This beautiful, moist appearing du Pont material is odorless, tasteless . . . yet with all its daintiness it is made to stand the roughest use. The light weight of du Pont or *"Realistic"* plate material (usually less than 1 ounce) makes it possible for Dr. Campbell to fashion a plate which will fill out your cheeks, so desirable for a youthful appearance.

PLATE REPAIRS

There's no need of buying a new plate when your old plate can be made to fit tight and look like new. Use DR. CAMPBELL'S dental laboratories for your next plate repair.

Dr. Campbell's FINEST Most Beautiful Dental Plates . . .

Made in Dr. Campbell's own laboratories. Each NATURAL shaded PORCELAIN tooth is set in the NATURAL gum-pink plate material as if it were growing there . They are so like one's own natural, healthy teeth and gums that your closest friend would never know the difference. These plates are thin, light weight (less than one ounce) and very dainty, yet they are made to stand the ROUGHEST USE.

15 Easy Payments — *All This Week —Special Offer New Low Price* — Upper or Lower Plates on Credit

NOTICE TO CREDITORS
No. 8326

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of MAURICE S. WOODHAMS, also known as M. S. WOODHAMS, deceased.

NOTICE IS HEREBY GIVEN by the undersigned executor and executrix, of the last will of Maurice S. Woodhams, also known as M. S. Woodhams, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or present the same, with the necessary vouchers, within six months after the first publication of this notice, to the said executor and executrix at 733 Middlefield Road, Redwood City, California, the same being the place for the transaction of the business of said estate.

Dated this 28th day of March A. D. 1939.

CLIFTON H. WOODHAMS,
MAUDE EVELYN WRIGHT.
ROYAL E. HANDLOS,
Attorney for Estate,
130 Montgomery St.,
San Francisco, Calif.

First publication in Peninsula Beacon, March 31, 1939.
Mar. 31, Apr. 7, 14, 21, 28, 1939.

The lightning telegraph system in France preceded the electrical telegraph and speeded official messages by semaphore signals.

During 1938 North Carolina acquired 120 new industries, including 42 hosiery mills, and 68 plant additions of which 36 also were for hosiery.

Redwood City Asks State Board Office

Directors of the Redwood City Chamber of Commerce have put their stamp of approval on a letter being written to State Controller Harry B. Reilly, approving and asking the establishment of a regional office of the State Board of Equalization for San Mateo County, to be located in Redwood City.

Director Sam Winklebleck, also a director of San Francisco Peninsula Inc., announced the publication of two phamplets by the organization. One of the pamphlets, a booklet on general facilities offered by the Peninsula, will be distributed at the Mission Trails exhibit at the World Fair. The other, which is a compilation of industries on the Peninsula, will be mailed to various prospects.

New Assistant Named For Ward Firm Here

Joseph A. De Geller, manager of the local Montgomery Ward store, announced today the appointment of F. J. Higgins as assistant manager of the store here to fill the vacancy left when M. H. Fisher resigned to go into business for himself.

Mr. Higgins was transferred from Coeur d 'Alene, Idaho, where he was employed by Ward's. He entered the Ward organization in 1930 and has worked in stores in Kansas, Nebraska and Montana.

Higgins and his wife will make their home in Redwood City.

In medieval times, a tenant's fireword was limited to the amount of underbrush he could cut with a hook and the deadwood he could knock from the trees with a shepherd's crook. Hence the expression "by hook or crook."

Platt Kent's Mother Sues Over Holdings

Mrs. Nina R. Kent, mother of Platt Kent, retired Burlingame banker who shot himself to death Jan. 31, has filed a complaint in superior court against Charles R. Blyth, of Hillsborough, executor of her son's estate, asking that she be given holdings in the Delta Trailings Co. valued at $15,000.

Mrs. Kent's complaint charges that her son left to her, in an instrument included in his will, half of his 18.8 per cent holdings in the corporation, and she also asks that a savings account in a San Francisco bank containing $857.28 accrued from the company be given to her. The complaint alleges that Blyth, claiming an interest in the holdings, has refused to turn them over to her.

There were 1,527,000 tractors in use in the United States in 1938.

THE INSIDE FACTS

OF THE 1939 ELECTRIC REFRIGERATOR

There has been a vast improvement in electric refrigerators in the past five years. The Inside Facts are that the new 1939 Electric Refrigerators freeze ice faster and more of it, have greater storage space and use only half as much current as old style models.

Controlled Cold plus High Humidity, another important Inside Fact, means greater food savings than ever before. Perishable foods are not only saved from spoilage but all their vital food values are kept in natural, juicy goodness. With Controlled Cold and Humidity even left-overs stay as fresh as when first prepared, without drying out or changing color.

Follow the lead of economy-wise housekeepers. Save money with Electric Refrigeration. This is the year to buy your new electric refrigerator. It will pay you to see your electric dealer today.

Inside Facts

1 *Faster Freezing*—ice in one-third the time and twice as much of it.
2 *Meat Safe*—A big covered compartment keeps a week's supply of meat fresh and juicy.
3 *Controlled Cold plus Humidity* puts an end to wilting, shrinking and changing color.
4 *Greater Storage Space* gives approximately forty per cent more refrigeration.
5 *Cuts Current Cost*—new economy units—80% of the time use no current at all.

NOTICE OF HEARING OF PETITION OF TRUSTEE TO LEASE REAL PROPERTY.

No. 6084—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of FANNIE S. RYAN, Deceased.

WELLS FARGO BANK & UNION TRUST CO., Trustee under the terms of the Last Will and Testament of FANNIE S. RYAN, Deceased, having heretofore filed its verified petition praying for an order to lease certain real property of said estate, and hereinafter described, and alleging that it will be to the advantage of said estate to lease said real properey,

NOTICE IS HEREBY GIVEN TO ALL PERSONS interested in the estate of FANNIE S. RYAN, deceased, to appear before said Superior Court, in Department 2 thereof, in the Courthouse, Redwood City, California, on the 17th day of April, 1939, at 10 o'clock A. M. of said day, then and there to show cause, if any they have, why the real estate hereinafter described should not be leased by said WELLS FARGO BANK & UNION TRUST CO., Trustee under the terms of the Last Will and Testament of FANNIE S. RYAN, for a period of two (2) years, commencing with the 1st day of May, 1939, and ending on the 30th day of April, 1941, at a monthly rental of Sixty ($60.00) Dollars per month, upon the terms and conditions mentioned in the petition of WELLS FARGO BANK & UNION TRUST CO., Trustee, to which petition reference is hereby made for further particulars.

The property proposed to be leased is described as follows, to-wit:

All that certain piece of real property, together with the improvements thereon, situate in the City of San Mateo, County of San Mateo, State of California, and particularly described as follows, to-wit:

That portion of Lot 30, as designated on the Map entitled "Map of Subdivision No. 1 of San Mateo Park, Cal.," which map was filed in the office of the Recorder of the County of San Mateo, State of California, June 5, 1902, in Volume "B" of Maps at page 47 and a copy thereof entered in Volume 3 of Maps at page 9, described as: Beginning at a point on the Northerly line of Poplar Avenue, distant thereon 80 feet Westerly from the point of intersection of said line of Poplar Avenue with the dividing line between Lots 30 and 33; and running thence in a Northerly direction 200 feet on a straight line so drawn from said point of commencement on Poplar Avenue, that if continued it would intersect the dividing line between Lots 30 and 31 at a point distant on said dividing line last mentioned 41 feet Westerly from the point on said last mentioned line dividing Lots 33 and 30; running thence Southwesterly and parallel with the dividing line between Lots 30 and 31, 59 feet; running thence Southerly 178 feet to a point on Poplar Avenue 80 feet Westerly from the point of beginning; running thence Easterly and along said line of Poplar Avenue 80 feet to the point of beginning.

Dated: This 31st day of March, 1939.

W. H. AUGUSTUS,
County Clerk.
ALMA PAGANINI,
Deputy Clerk.

LEO H. SHAPIRO,
Attorney at Law,

SODA BAR JOINS THEATER IN EASTER HOLIDAY FEATURE

Every year, or, more correctly, every holiday and special occasion is the signal for Manager Hal Honore', at the Fox Sequoia Theater, to stage a specialty for his kiddie matinee goers. Easter is one of those occasions, and by special arrangement with the Smithee Brothers, operating the popular Soda Bar in the Fox Sequoia Theater Building, there will be a thousand chocolate Easter eggs on hand tomorrow afternoon, to be given to the children who come to join in celebrating Easter at the theater.

Johnny Shaw, popular radio organist, who has been a local favorite on many occasions at the Sequoia, will entertain the kiddies with his bag of song-slides, while "Uncle" Hal, who has played the buffoon for the pleasure of local kiddies for two years, will have some special stunts for the boys and girls to enjoy.

The main feature will be the showing of M.G.M.'s beautiful musical spectacle, "Ice Follies of 1939," with beautiful technicolor sequences, and starring Joan Crawford and Jimmy Stewart. "Secret Service of the Air," and another thrilling serial episode will complete this big show.

The box office opens at 12:45, tickets for all kiddies under 12 are only 10c, and Manager Honore' assures parents that their children are under strict surveillance and protection while placed in the care of theater attendants who are trained to watch over them and care for their wants.

The United States has a radio to every five persons against one to 17 in four other leading nations; a telephone to each seven persons against one to each 35 in the other nations.

NOTICE OF SALE OF REAL PROPERTY.
No. 8317—Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of MARY FRANCES WEBB, also known as MARY F. WEBB, Deceased.

NOTICE IS HEREBY GIVEN that in accordance with law, the undersigned executors of the last will and testament of Mary Frances Webb, alias, deceased, will on or after the 18th day of April, 1939, offer for sale and sell at private sale, as a whole or in subdivisions, as said executors shall judge most beneficial to the estate of said deceased, to the highest and best bidder or bidders for cash in lawful money of the United States, and subject to confirmation by said Superior Court, all of the right, title, interest and estate which said Mary Frances Webb, alias, deceased, owned or had acquired during her lifetime, and all of the right, title, interest and estate that the estate of said deceased has by operation of law or otherwise acquired, other than or in addition to that of said deceased at the time of her death, of, in and to all of the following described real property situate,

LEGAL

lying and being in the County of San Mateo, State of California, and described as follows, to-wit:

Lot numbered twenty-five (25) and a portion of Lot numbered twenty-two (22) as shown on that certain map entitled "Baldwin & Howell's Re-Subdivision of Lots 167 and 168 Subdivision No. 2 and Lots 86 to 92 inclusive Subdivision No. 1 of San Mateo Park, San Mateo County, California," filed in the office of the county recorder of San Mateo County October 16, 1905, in Book "E" of Original Maps at page 23 and copied into Book 3 of Maps at page 78, described viz:

BEGINNING at a point on the northwesterly line of Warren Road at the intersection of said line with the line dividing said Lot 25 from a certain alley adjoining said lot; running thence southwesterly along Warren Road 50 feet; thence northwesterly 122 feet, more or less, to a point on the rear line of Lots 22 and 25, distant thereon 48 feet 1 inch southwesterly from the most northerly corner of said Lot 25; thence northeasterly along said rear line 48 feet 1 inch to said last named corner; thence southeasterly along said line dividing said Lot 25 and said alley 115 feet 10 inches to the point of beginning.

MANNER, TERMS AND CONDITIONS OF SALE

Bids or offers will be received for said real property as a whole or for any subdivision thereof, each bid or

LEGAL

offer therefor to particularly describe the subdivision or portion bid for; bids or offers may be made at any time after the first publication of this notice and before the making of the sale; all bids and offers must be in writing and may be delivered to the executors or left for them at the law offices of Messrs. Ross & Ross, First National Bank Building, Redwood City, California, or may be filed in the office of the clerk of the Superior Court of the State of California, in and for the County of San Mateo, at Redwood City, California. The right is reserved to reject the whole or any part of any bid and to accept it as to any part or subdivision bid for. Sales will be made for cash in lawful money of the United States, ten per cent (10%) of the amount of any bid to be paid to the executors on notice of acceptance of bid, and the balance of said sum to be paid to them upon the confirmation of sale by said Superior Court, and delivery or tender of deed; the instrument of purchase to be at the expense of the purchaser.

T. B. Association Convention Planned

Directors of the San Mateo County Health and Tuberculosis Association have received information about the 1939 meeting of the California Tuberculosis Association to be held at Santa Cruz Apr. 13, 14 and 15.

Fine arts, scientific technique, financial genius—these three outlooks upon the world and life will be presented by men without peer in their fields at the session, according to Dr. F. S. Gregory of Redwood City, county health association president.

Rockwell Kent, the artist, Dr. Bruce Douglas, the clinician, and Charles Newcomb, the fund raiser, will present the kaleidoscopic review of the problems which confront the health worker.

"This trinity of approach to our problems may give the spiritual inspiration needed to reach our goal in the immediate future," Dr. Gregory declared.

Dr. Gregory extends a welcome to citizens to attend the meeting in Santa Cruz. Information regarding the convention can be had by calling the tuberculosis association, Redwood 1687.

Mrs. Myers Is Secretary

Newly-elected secretary of the Redwood City Community Chest is Mrs. B. E. Myers, it was announced here following a week-end meeting of the new directors of the fund-raising organization.

J. A. Buhler, who was secretary-treasurer for the past year, was elected treasurer at the session, at which Mrs. A. S. Kalenborn, president, appointed committees as follows:

Budget: J. E. Morrish, chairman; Louis B. Dematteis, Joe S. Farr, Mrs. Henry Beeger, Mrs. Myers.

Campaign: Duncan Reynard, Perry A. Bygdnes, Kenneth L. Bowen, laymen; Cuthbert B. Currie, L. E. Wolbert, Mrs. C. L. Huyck, E. A. Michel, Mr. Farr and Mrs. Beeger, directors.

Prospects: Buhler, Morrish, Currie, Mrs. Myers, Mrs. Huyck.

The directors voted to take a $2 membership in the Pacific Coast Conference of Community Chests and Councils, which was formed by the various state organizations like the local one to meet annually to discuss mutual problems. Mrs. Kalenborn will represent the Redwood City chest at the May 11-12 conference in Oakland this year.

Measles, Influenza Plague Health Aides

With smallpox apparently under control, measles became No. 1 public health problem in San Mateo County last week, according to the morbidity report of the San Mateo County Public Health Department.

The number of new cases jumped from 76 to 170, the report showed, with heavy concentrations in Menlo Park rural areas, Redwood City, and San Mateo.

Five new cases of influenza caused the department to issue a warning bulletin on that disease. It is prevalent throughout the state, according to Dr. Charles C. Gans, director, and spreads with amazing rapidity. It is usually accompanied by a fever of three days' duration, during which time the patient should remain in bed.

In 1830, a total of 288 man-hours were required to produce 100 bushels of wheat but in 1930, because of mechanization, only 49 man-hours were needed.

Bad weather is calculated to be responsible for 73 per cent of all wheat crop losses.
